## Education

University of Washington  
March 2005 – June 2008  
Visual Communication Design  
Bachelor of Fine Arts Degree

Over the course of four years, students are instructed on how to integrate many factors which help them to develop strategies and solutions that give form to print, screen and the built environment.

University of Washington  
August 2007 – September 2007  
Design Exploration Seminar  
Study Abroad Program

Students study in Rome, Italy for five weeks where they are taught about Italian history and culture as well as religion, art and design. A variety of design projects are assigned including three photo compositions and one photo book.

Seattle Central Community College  
September 2001 – June 2004  
Liberal Arts  
Associate of Arts Degree

Taking a diverse number of courses not only satisfied the Associate of Arts requirements allowing transfer into the University of Washington, but it also allowed students to learn from a variety of disciplines.
